DIRECTORY PURPOSE AND INTRODUCTION

Support Chatham County Farms and Businesses

We encourage you to buy local when possible!

Chatham County Extension Master Gardener Volunteers compiled this guide to help gardeners find plants and gardening supplies in Chatham County, NC and surrounding areas.

Every effort has been made to include all Chatham County farms and businesses that sell plants and gardening supplies to the general public. For counties surrounding Chatham, garden centers and nurseries were selected for inclusion because they offer either unusual or difficult to find plants or gardening products, an unusually wide range of plants/products, or other items not typically available within Chatham County.

Types of businesses included in this guide include:

- **Nurseries** – that propagate and grow plants on site to sell to the general public, including nurseries that sell online or are open by appointment. Nurseries that sell on a wholesale only basis are not included.
- **Garden Centers** – that sell plants they either grew on site or were bought in from other nurseries. Compared to nurseries, garden centers are typically open more regular hours and often carry gardening and landscape products and supplies in a retail setting.
- **Retailers** - such as hardware stores and farmers' cooperatives that sell gardening products and supplies year-round, and may also offer seeds and plants during the growing season. (Please note: National, big-box chains such as Walmart and Lowes are not included)
- **Farmers Markets** – a list of farmers markets in Chatham and surrounding counties is included beginning on page 35. Many farmers markets include vendors who offer locally grown plants.

This guide was assembled for informational purposes only.

Inclusion of a business in this guide does not imply endorsement by the North Carolina Cooperative Extension Service nor discrimination against businesses not listed.

To be considered for the next edition of this directory, please contact the Chatham County Extension Master Gardener Volunteers, 919-545-2715 or chathamemgv@gmail.com. In your message please include the name of your business, contact information, hours of operation, and the type of plants and/or gardening products your business offers.

HOW TO USE THE DIRECTORY

Index of Plants and Supplies

An **Index of Plants and Supplies** is found on pages 5-20. The index includes each of the categories listed in the 'Products and Services Offered' column of the second table below.

For each category, all businesses indicating they offer that item are listed. In addition to the business name, a reference id number (REF ID) and page number are listed, as follows:

BUSINESS NAME	LOCATION	REF ID	PAGE #
Best Garden Center	Gardenville	62	40

- **The page number** refers to the page where the business listing can be found.
- **The REF ID number** refers to the specific block where that businesses information can be found. In the Business Listings, REF ID numbers are listed before each business name.

Business Listings

Business Listings begin on page 21. Contact information, hours of operation, and types of plants and supplies offered are listed for each business, in this format:

REF ID, Contact Info	Hours of Operation	Plants and Supplies Offered
(REF ID) BUSINESS NAME Address Phone Number Email Address <u>Website</u>	Days and Hours of Operation	Types of plants offered, including: <ul style="list-style-type: none"> • Landscape Trees, Shrubs, Perennials, Annuals, Bulbs • Native Plants • Fruit Trees, Berry Plants, Grape Vines • Vegetable Plants, Herbs • Others as listed Products offered, including: <ul style="list-style-type: none"> • Mulch, Soil Amendments • Fertilizers, Pesticides • Organic Pest Control Products • Gardening Tools • Planters, Pots, Containers • Seeds – Lawn/Grass • Seeds – Flower/Vegetable • Others as listed

PLEASE NOTE: Because plant and product availability change seasonally, Chatham County Extension Master Gardeners cannot guarantee the availability of products listed in this directory.
